New York, NY 10012

- **GPA:** 3.6
  - **Relevant Coursework:** A.P Computer Science A, Web Development, Intro to Computer Science, Data Structures
- 

## PROFESSIONAL EXPERIENCE:

### Jumpstart

*Corp Member*

**June 2023 - August 2023**

- Led a team of three peers in planning and implementing developmentally appropriate language and literacy lessons for 17 preschoolers at Charles R. Drew
- Planned weekly sessions based on early childhood development research, including art projects, dramatic play, and writing centers.
- Received intensive training and professional development in early childhood theory and practice,
- Language and literacy development, leadership skills, and communication with families.

### NYU HEOP Summer Program

*Student*

**July 2022 - August 2022**

- Partook in research development pertaining to surveillance technology, security, and national protection (of data, maintaining privacy, and being a means of countering terrorism). Wrote a final paper.
- Further developed writing and analytical skills by taking the following classes: First Year Critical Analysis, First Year Topics in Writing, and First Year Psychology.

### Student Dream, NGO

*Teacher/Technical Assistant*

**June 2021 - August 2021**

- Collaborated with a team of seasoned experts to develop and implement technological workshops on investments, leveraging digital tools to teach practical financial skills.
- Implemented data driven strategies to assess the impact of programs, using technology analytics to measure and optimize the effectiveness of financial, investment, and entrepreneurial initiatives.

### James Madison High School

*Teacher Assistant*

**January 2019 - February 2019**

- As a Helper/Assistant, I spent some of my time after school helping kids in a middle school near my house.
- Experience reading through students' and other friends' responses and work, offering my advice and revision in order to improve both the substance and tone of the writing.
- Improved my leadership and collaborative skills through school engagement.
- SYEP Intern, working as a Teaching Assistant to help and collaborate with students.
- Authored a research paper on the ethics of surveillance technology and its impact on privacy and how it affects countries internationally.
